

The Benevolent and
Protective Order of Elks
Fort Collins Lodge #804

Charity, Justice, Brotherly Love
and Fidelity

Volume 48, Issue 2 February 2012

February is an important month for our lodge, preliminary work begins on budgets and new officers are elected. Make sure you attend the February lodge meetings so you can participate in the selection and election of officers for 2012-2013. Nominations of officers will be held February 7th and elections will take place on February 21st. John Amen, President of the Colorado Elks Association, will be our guest on February 21st.

In this edition of the Echo, I have included a copy of the guidelines and rental agreement for the Lodge and Veteran's Pavilion. Members are encouraged to use our facilities for their functions. However, keep in mind the Club (restaurant and lounge) is a business and we must run it as such. Our upmost responsibility when we book events is for the safety and satisfaction of our members and their guests; protection of our assets which include our building, food service and liquor licenses as well as making a small profit for the club and lodge. Our liquor and food service is one vehicle to keep the Club and Lodge solvent. Without the club, the lodge can not sustain by membership dues alone. We are not exempt from food and liquor costs going up – we are feeling the pinch. Members are holding

functions at the lodge which is a positive trend. As a reminder, all events must be booked with our Club Manager Bob Petri. You may be required to pay a deposit and will be required to sign the formal rental agreement. Keep in mind, if you have family or friends who would like to use the lodge for an event you can be their sponsor and we will be happy to accommodate them.

The average cost to run the lodge and club, (payroll, utilities, insurance, maintenance, phones, food and liquor purchases, office supplies, etc.) is approximately \$19,000.00 a month. Our membership dues (if all current members continue their membership for the coming year) will be approximately \$45,000.00. It is obvious this will not sustain the lodge through the next year. Yes, we have investments (Certificates of Deposits), but if we continue to use these investments to pay bills in a few years we will not have reserves available. One of our major projects this year has been the Legacy Bricks. To date it has earned about \$4,000.00 for the general lodge fund. If you have not purchased your brick and would like one this is a way to help the lodge as well as have a meaningful remembrance of your participation in the Grand Order of Elks. The bricks are \$100.00 each and can be purchased by contacting me. During the next several months the Board of Directors will be looking at other avenues to raise money for the lodge. I know I can count on each of you to participate in events which will help sustain our Lodge and Club.

We have the Charitable Trust, Hadley Trust and Elks Help Special Needs accounts. These investments are earmarked for charitable endeavors and can not be used for paying general lodge/club expenses. We are fortunate to have the ability to use these funds to invest in our community, veterans; youth projects and programs.

I continue to be impressed with the new members joining our lodge and their participation in lodge meetings and events. There are several opportunities to participate at the lodge next year. These include Chairman for the Veteran's Committee, Echo Editor and Drug Awareness Chairman. If you would be interested in these activities please contact either me or Joe McCarthy.

Welcome to the new members who were initiated on December 20th they are: Michael Brown, Rose Crouse, Ralph Claxton, Thomas Ellison, Tomas Gonzales, Jess Hall, Ken Hendricks, Roy Herbst, Ken Hernandez, Diane Hlavacek, Kody Kofstad, Brian Laird, Joe Lucero, John Olivas, Kenneth Orgoglioso, Chris Robinson, Dorothy Wilson, Antonio Salas, Sylvia Portales and Jon Schumacher.

Remember and always practice Charity, Justice, Brotherly Love and Fidelity. Elks Care – Elks Share!

Sincerely and Fraternally, Joyce Bonanno Exalted Ruler

ELKS 804 LEGACY PROJECT

Legacy – a gift from our predecessors (Webster's Collegiate Dictionary).

Fort Collins Elks Lodge 804 is continuing to add bricks to our front entry. The entry includes our new bronzed Elk standing atop a rock and welcoming our members and guests to the Lodge. Included in the legacy brick display is our flagpole.

The Legacy brick display is a visible remembrance of those Elks who preceded us in service to the Order and a link to current members continuing to fulfill their obligation. The Legacy display will also serve to invite new members to join us in the honorable work we do in serving our community.

Each Legacy brick is laid in an array in the enclosure and includes the etched name of a designated current or past Elk member. The enclosure will be lighted with the Elk's spreading antlers standing approximately twelve feet above the pavement. The current cost for inclusion of a named member in the display is \$100.00 per brick with all donations designated for Lodge 804 expenses. By becoming an Elks Legacy participant, you help in preserving the memory of those who came before while sharing in the effort to support our beautiful lodge home.

Questions about the project or requests for ordering one or more brick should be forwarded to Tony Bonanno at:
anthonybonanno@hotmail.com
970-310-0030 – Cell
970-498-9223 – Home

You can also see Joyce Bonanno at the Lodge to order a brick.
Fraternally,
Tony Bonanno

Information on Drawings at the Lodge

Since we have initiated so many new members the last few months, I felt it would be a good idea to provide information on the various drawings at the lodge. Following is a brief explanation on each of the drawings. Please see either Stan or myself if you have any questions.

Fraternally, Joyce

BEAN POT DAILY/LODGE NIGHT

Each paid up member in the lodge has a bean which is a gel cap with their name and number. The beans are put in the tumbler, which is in the lodge office. To win on the bean pot you need to sign the book by the clear square glass box which is located by the bar. Be sure and deposit a coin or bill, but please no pennies. One bean is pulled each day of the week with the exception of the days when the lodge is officially closed. The winning amount is determined by the amount of money deposited by the members. You must sign in for yourself when you are in the lodge. You can not sign up for future days. The purpose of the bean pot is to encourage members to come into the lodge. All of the money is paid back to members who have signed the book and deposited money. The Lodge night bean pot works exactly like the daily, with the exception the bean is drawn during lodge meeting and you do not need to be present to win, but you do need to have signed the bean pot book and deposited money that day. Moral of the story is - visit the lodge as much as possible, attend lodge meetings and always sign the book. Money collected from the bean pot is deposited in the lodge checking account and has a separate line item in our Quick Books accounting system.

804 DRAWING FRIDAY NIGHT 804 ATTENDANCE DRAWING

This is a bit confusing because we have the 804 Drawing (Friday Nights) and the 804 Attendance Drawing (Lodge Nights). The Friday night 804 Drawing used to be the Queen of Hearts. The name has changed recently to the 804 drawing. Rules are posted above the "card case" in the club room. The amount you can win changes weekly depending on how many people purchase tickets during the week and on Friday night. The drawing takes place every Friday night at 7:30PM. On Friday nights tickets can be purchased from Charlie Thomas, Al Dillman or Skip Walker. During the week, tickets can be purchased from the bartender on duty. Tickets are \$1.00 each or 8 for \$5.00. The 804 Attendance drawing is an incentive for members to attend lodge meetings. The 804 Attendance drawing is drawn on lodge nights only using the same tumbler which contains every paid up member of the lodge. It starts at \$50.00 and \$50.00 is added for each lodge meeting until someone wins. When someone wins the drawing the amount goes back to \$50.00. Maximum amount of the 804 Attendance Drawing is \$1,000.00. You do not need to purchase any tickets for the 804 Attendance Drawing – you need to be at lodge. If you are not at lodge and your bean is selected, you do not win. We have had two winners in the past 60 days - one for \$450 and one for \$200. It pays to attend lodge meetings! Thanks to the Trustees for setting aside money for the 804 Attendance Drawing. These two accounts also have line items in our Quick Books accounting system.

LARADON HALL/ELKS NATIONAL FOUNDATION RAFFLE TICKETS ON LODGE NIGHTS

The purpose of Laradon Hall and Elks National Foundation ticket is to earn money for these charities. Raffle tickets are sold every lodge night by Larry Thyfault or Gary Michels. The colored tickets are eight for \$5.00 and the "1" shot (usually white tickets) are \$1.00 per ticket. Five tickets are drawn from the colored tickets and one ticket for the "1" shot. 50% of the money earned is given out to lodge members; the other 50% goes to Laradon Hall and ENF. This has been an excellent and fun way to earn money to donate to these two deserving charities. Big thanks to Gary and Larry for their help. As with all of our accounts this also has a line item in our Quick Books accounting system.

The cost for permit is \$125/event which will be paid by the patron at the time the \$200 deposit is made. All permits must be in the County's possession 30 days prior to the event.

DAMAGE PROTECTION: A valid credit card number is required as a deposit for all functions of 100 people and above. The holder of the credit card will not be charged unless damage occurs to the Elks Lodge building or Lodge property contained within.
