The Benevolent and Protective  
Order of Elks Fort Collins  
Lodge #804

Volume 52 Issue 9 October 2017

## *Charity, Justice, Brotherly Love and Fidelity*

Greetings to members and friends of Lodge 804

Having attended the Colorado Elks Association's State Convention on September 8th, 9th, and 10th, I can report to our membership that the theme of recruiting new members was similar to what was voiced by leadership at Grand Lodge in Reno, Nevada.

The state convention members cast their votes for Gary Salberg, Leadville Lodge 236, as our State President, and a new slate of state officers was also elected. Grand Exalted Ruler Malcolm McPherson attended the convention and spoke about Elks serving their communities and reinforced the mission of our Order.

Lodge 804 will be visited by our District Deputy, Brent Pick, and his team on October 3, 2017. We will also be visited by new State President Gary Salberg on November 7, 2017. I encourage your attendance on both dates when these dignitaries visit Lodge 804.

The Fort Collins Elks Lodge, along with the Greeley and Loveland Lodges, will be participating in a joint effort to raise funds for the respective Children's Advocacy Centers serving these communities. This program which unites our lodges in supporting abused and neglected children is the K-99 Radio 28 Hours of Hope marathon. This is a great opportunity to show our community leaders, friends, neighbors and fellow citizens that "Elks Care and Elks Share." The primary formula for raising funds to serve the Advocacy Centers will be a live and silent auction held at Fort Collins Lodge 804. We will enhance the evening experience with live entertainment, dinner, dancing and beverage service. Our committee will be looking for unique items to auction so begin thinking about possibilities and how you can contribute. The event is scheduled for Saturday, January 20, 2018. We have already started planning to ensure appropriate preparation. Please let me know if you have some ideas or items which you feel we can include in our offerings for both auctions.

On another note, I would like to extend a sincere thank you to Brother Hugh Shepherd for his many years of service to Lodge 804 as a PER, officer, committee member and most recently as our games manager. Hugh will be resigning as games manager at the end of the year and has generously extended his services to help train our next manager. Thank you, Hugh!

Lodge 804 will have a busy schedule through the end of the year. Check the ECHO for upcoming events and put them on your calendar so you'll remember to attend. I hope to see you at the Lodge.

Fraternally,  
Tony Bonanno

Charity, Justice, Brotherly Love and Fidelity. We always have the opportunity in our Lodge to be any of these but charitable is where I want to focus. From Scholarship Committee to our Children's Shopping Spree, the opportunities arise all year round. We are currently in preparation for a joint charitable event with Greeley and Loveland Lodges coming up in January 2018 in the 28 Hours of Hope. We hope to raise \$10,000, a goal set by our Exalted Ruler, Tony Bonanno. The goal may seem large but it is definitely attainable. At this time, we are looking for outstanding items to put into the Silent Auction for the event and you can help! Donate a valuable service, product or gift card that we can auction at the event! Last year we had an amazing variety of items from a New Belgium Bike to gift cards to local business and even handmade quilts! We look forward to a successful event but we need everyone's help! Please contact any board member or 28 Hour of Hope Committee member to participate.

Two of our latest successes, the car show and vendor show were both very successful events. Everyone attending had a fun time and we made \$400.00 from the car show which will benefit our Lodge Charities. The Lodge benefited from the vendor show as well.

We hope to have your help in our upcoming charitable endeavors!

Fraternally,  
Leslie Barela

Greetings Members,

If you are like me, you're probably wondering how summer passed by so quickly. In fact, I am still wondering where the heck the 1980's went.

October is Elks National Foundation month. This program was started by a vision from our Past Grand Exalter Ruler John F. Malley. His vision was to "unite the forces of the order into a mighty army for the forces of mankind." He encouraged the delegates at the 1928 Grand Lodge Convention to vote and establish the Elks National Foundation (ENF) with an initial grant of \$100,000. Today this endowment has grown to over \$637 million.

The ENF does many great works for youth, veterans, and many programs within our communities. This year, ENF will distribute \$12.53 million to Community Investment programs, \$4.68 million in scholarships and an additional \$15.93 million to fund projects that improve the quality of life in our nation's communities.

This month on Sunday, October 8th, we will hold our 7th Annual Bowling Challenge against Loveland Elks Lodge #1051. We have been the reigning champs for three years running and would like to keep that tradition rolling. It will be held at Chippers Horsetooth Lanes in Fort Collins and there will be a lunch in our Lodge room following bowling. I hope to see everyone there. It's a great time and it supports a great cause since the proceeds go to the ENF.

If anyone would like more information about how to support the ENF, please see me or Secretary/PER Joyce Bonanno.

Have a great autumn and hope to see you at the Lodge.

Fraternally,  
Randy Kettenhofen  
Loyal Knight

## From The Station of the Lecturing Knight

*"It has smiles and laughter for us in the seasons of joy, and it sits with us in the shadow and weeps in the hour of bereavement..... This is Brotherly Love."*

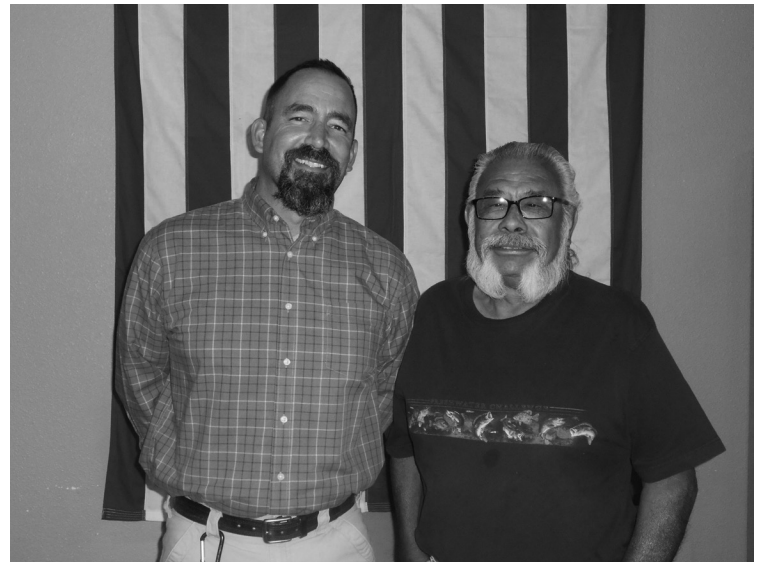

What I love about the above quote is that it encompasses the completeness of life. The words above acknowledge that our lives are filled both with joy and hardships. Joy is marked in seasons and bereavement in hours, thus implying that our lives should be filled more with happiness. But we also acknowledge the stern reality of life and that we will and do face difficulty.

If the above is true, it can be inferred that the majority of our members are strong in body, mind and spirit and as such, the virtue of Brotherly Love bids us to *"grasp the hand in friendship, to lighten each other's burden, to bring rest to the weary and comfort those who mourn."* The call for sickness and distress leads us to those in need.

My wife, Sarah, and I have been fortunate to have a life mostly free of bereavement. However, as we travel along lives path, we find ourselves faced with more challenges. As with many of our friends, we will be empty-nesters within a few years and we are looking at becoming caregivers sooner than we expected. Change can be scary and difficult. Soon, I foresee facing situations we have not faced before, causing us to restructure our lives to care for others. I think we all openly accept these challenges, but, for us, it is a new frontier.

As we venture along our new paths, I am thankful I am part of an organization that can provide the support and guidance that we may need.

**Secretary Notes - October 2017**

Fall has finally arrived and it has been wonderful to see so many of you at the Lodge supporting our activities. We are already in our 7<sup>th</sup> month of the Lodge year.

As all of you know, membership is the life blood of our organization. Without members, we cannot continue the good works of our Order. Our goal this year is to have a plus one membership. We currently have 23 delinquent members and 16 of our members have passed into the Valley of the Everlasting Light. On a positive note, we have initiated eight new members and have one reinstatement and one candidate for initiation on October 3<sup>rd</sup>. If you propose someone for membership in October the application fee is only \$1.00. Ask your family members and friends to become a member of one of the best fraternal organizations in the world. We support veterans, provide scholarships, support our local food bank, support programs for disabled children and adults, promote drug awareness and youth activities. We also help raise funds for neglected and abused children, support disaster relief funds and many other worthwhile charities. Of course, there is also a fun social aspect in the Lodge. We have a full commercial kitchen and provide lunch and dinner, card games for our members along with various events during the year. All good reasons for joining our Lodge.

The next several months will be busy with our Lodge activities and charitable events. Stop by the Lodge and have a beverage with your brother and sister Elks. If you have not paid your dues, please do so as soon as possible.

Fraternally,  
Joyce Bonanno  
Secretary/PER

Albertsons/Safeway and King Soopers Donate Cash to Lodge #804**

It's hard to believe but true that just for shopping at these stores for our food, household supplies, prescriptions, and even gasoline, these grocers will donate 5% of the purchase amount directly to our Lodge. To date, #804 has received over \$3,000 from these two grocers. The checks, however, have been slowing to a trickle lately. It's doubtful that it's because those of you who have the gift cards have stopped eating or driving but rather just stopped using them. It's a very easy process to use the card and earn money for our Lodge. If you need a refresher on how to do that or need a new card, please see Larry King or Joyce Bonanno. Remember, you still get your fuel points and all other discounts on every purchase while donating to our Lodge as well.

So shop, eat, and be merry while remembering to use your card. It supports your food and gas needs while it feeds our charitable activities.
