The Benevolent and Protective
Order of Elks Fort Collins
Lodge #804

Volume 55 Issue 2 February 2018

Charity, Justice, Brotherly Love and Fidelity

Greetings Brothers and Sisters of Elks Lodge 804

As I write this article for the February Echo, we are one week away from our biggest fundraising event of the year – The K-99 28 Hours of Hope Friendship Night. This worthwhile endeavor, targeting the prevention of child abuse and neglect, will be hosted by Lodge 804 and include the support and cooperation of Greeley Lodge 809 and Loveland Lodge 1051. To date, ticket sales have been encouraging and items donated for auction have been exceptional. Thank you to everyone who participated in helping to make this a special night to be an Elk.

Lodge 804 continues to welcome new members into our Order and it is encouraging to see that some members have shown an interest in serving the Lodge as officers. Nomination and balloting for officers for 2018 – 2019 will determine the direction of our Lodge for the coming year. It is the responsibility of the membership to take part in this process and assist in upholding the honor and dignity of the Order and of this Lodge. This process is best served by attending Lodge meetings and exercising your right to vote for those nominated to serve as officers of Lodge 804.

Secretary Joyce and I, along with other officers of Lodge 804, will have attended the Colorado State Elks Quarterly in Colorado Springs by the time this issue goes to press. We will report back to our membership on any new issues and business at the state level that will impact local lodges. A significant portion of the agenda, however, will be devoted to the contingent of Colorado Elks planning to attend the Benevolent and Protective Order of Elks 150th Anniversary in San Antonio, Texas from July 1 through July 4, 2018. At the same time, the City of San Antonio will celebrate its own Tri-centennial with activities centered around music, art, food and cultural events to highlight its rich history. This should be an exceptional convention for Elks members who attend. We will have more information on hotel bookings, travel, parking, and planned events in the coming weeks.

Finally, I want to say thank you to the officers who have served Lodge 804 this past year. We have worked together to honor the Cardinal Principles of our Order. The Fort Collins community is a better place because of your service to our Lodge.

Fraternally,
Tony Bonanno

Brother and Sister Elks,

As a Lodge, we have a lot of people to thank for all of the great things that happen at 804. Many of our officers and members donate a large amount of time to keep our Lodge active. It may not seem like a lot but every day members are putting in effort to keep our Lodge successful and to keep you informed about what is going on. How can you help?

- Sign up to volunteer for an event
- Come to an Entertainment Meeting (February 27, 5:30)
- Read your Echo
- Read your emails
- Check our Fort Collins Elks Lodge Facebook page
- Check the bulletin boards
- Talk to your fellow members and officers

It's really disappointing to plan events at our Lodge and, later, hear some of our members say "we didn't know that was going on or we would have been here." Please, take the time to get informed about what is going on at 804. We do our best to get out the information in all the media outlets we have available. Participation is key!

Fraternally,
Leslie Barela

November 2017 Elk of The Month - Mark Naber

From The Station of the Loyal Knight

Greetings members and families,

I hope everyone has been able to enjoy their favorite winter activities this year and beginning to look forward to Spring.

With Spring approaching, it also means another school year will be ending. If anyone has any family or friends with high school juniors who have aspirations of attending college when they graduate next year, now would be a great time to tell them about the Elks Scholarship programs. This is another reason the Elks is the greatest organization in the USA. Outside of our Federal Government, the Elks provide more scholarships, both scholastic and vocational, to our nation's high school seniors than any other organization in the US.

On the national level, the Elks National Foundation typically awards 500 Most Valuable Student scholarships. The Most Valuable Student scholarship contest is open to any high school senior who is a U.S. citizen. Applicants will be judged on scholarship, leadership, and financial need. The top 20 finalists will participate in an all-expense paid Leadership Weekend in Chicago where they will be interviewed by the Elks judges. These 20 finalists will be vying for two first-place awards of \$50,000; two second-place awards of \$40,000; and two third-place awards of \$30,000. The remaining 14 finalists will receive awards of \$20,000. The 480 runners-up will receive fifth-place scholarships of \$4,000. The top two winners will be invited to our National Convention and will address the attendees on the final day.

In Fort Collins, we also provide several scholarships to our local seniors and that presentation will be coming up in a couple months. Please keep your eye out for more details in September 2018 as to upcoming deadlines. It is a very rewarding experience.

Fraternally,
Randy Kettenhofen

From The Station of the Lecturing Knight

Greetings Sister and Brother Elks,

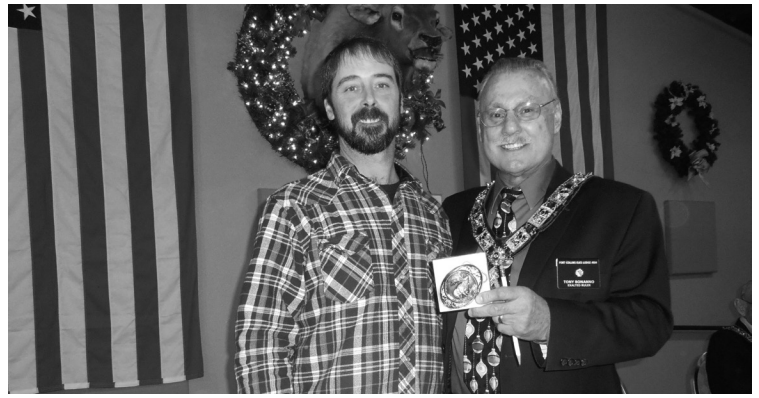

As some of my articles have indicated, I have taken the opportunity to muse on my explorations of the virtues on which our Order is founded. This month, all be it ironic that I write this article past its due date, I am exploring the virtue of Fidelity.

Fidelity in its simplest form stems from the expressed qualities of faithfulness and loyalty. It is the glue that binds the Order and its members together. Fidelity, as noted in our rituals, is of the highest significance as it is the virtue established to guarantee the survival of our Order and to guide us to properly exercise the virtues of Charity, Justice and Brotherly Love. Fidelity, therefore, becomes the crowning virtue. The Star of Fidelity rises above all other symbols and continues to shine within us after we have left the Lodge.

On a more practical level, Fidelity is the adherence to an oath or the keeping of a promise. I have researched the virtue of Fidelity and stumbled upon examples of the everyday expressions of Fidelity. At its very foundation, Fidelity is doing what you say, acting reliably, and being trustworthy in your actions. On a conscious level, it also means that you are consistent with your beliefs. It also means that the virtues of Charity, Justice, Brotherly Love and Fidelity remain anchors in your life and that they are the basis for your thoughts and thus actions.

Fidelity also dictates that we remain true to and seek truth with the people and organizations that matter most. It becomes easy for us to spin stories and gossip but this, in itself, becomes destructive to relationships we have and it breaks vital bonds and destroys organizations. If we remain true and seek truth, we work from a place of reality. We should, therefore, communicate in an open and honest manner. Doing so ensures that we work from a place of understanding and strive to reach a goal of mutual success.

Faternally,
Jason Tomsic

Secretary Notes - February 2018

With our 2017-2018 Lodge year almost over and our new Lodge year 2018-2019 starting on April 1st, you will be receiving your dues statements by mid-February. Because of several large insurance claims, the insurance companies are increasing our premium for the 2018-2019 year. The total of our Grand Lodge Per-Capita will be \$17. Our State Per-Capita will remain at \$2.50. Under Section 4.231, 14.150 and 14.300, Law of the Order, it is mandatory for the collection of the Per Capita from each member including life members. Our per-capita payment is due to Grand Lodge and the State Association by May 1, 2018 and will be approximately \$7,900. This is one of the reasons it is critical for members to pay their dues by March 31, 2018. If you are on our membership roster and you have not paid your dues, the Lodge is still required to pay your Per-Capita. This is a request for members to pay their dues as early as possible to allow the Lodge to have the funds to meet our Per-Capita payments. We can accept cash, checks and credit cards.

Regular Member dues are \$169.50. If you cannot pay the full amount, we will accept half payment, but you must include the Per-Capita payment in your first installment which will be \$94.50. The second half dues must be paid by October 1, 2018 and the amount will be \$75. You will receive a statement in the mail in September as a reminder about your October dues payment.

Life dues are \$94.50. If you cannot pay the full amount, we will accept half payment, but you must pay the Per-Capita payment in your first installment which makes that amount \$56.75. The second half dues must be paid by October 1, 2018 and the amount will be \$37.75. You will receive a statement in the mail in September as a reminder about your October dues payment.

The 2018-2019 Membership Cards are a light tan in color. The door locks will be changed early in the day on April 1, 2018. If you do not have a 2018-2019 Membership card, you will not be able to come into the Lodge until your dues are paid based on Section 14.220 Annotated Statutes.

As a reminder, if you bring a visitor to the Lodge more than eight times in a three month period, you should encourage them to join since they obviously like coming to the Lodge. As members, they could help us in our charitable activities. By joining the Lodge they can also attend Lodge meetings and participate in our drawings and events. And, in addition, they would meet our incredible membership and would certainly make new valuable friends in the process.

Joyce Bonanno

Message from Lodge 804 Board of Directors

We all wish you a Happy 2018. This year has gone fast and our Lodge members continue to participate in our Lodge meetings, charitable events and activities to celebrate our successes.

Unfortunately, 14 of our members have passed into the Valley of the Everlasting Light this year. This has an impact on our total membership numbers and we look forward to inspiring more people to join this coming year. The Board would like to thank all of the members who have sponsored their friends and family members to join the Elks. We also thank all of the members who volunteered for our events, members who have made donations to the Lodge and those who support our Friday night dinners.

Our recent cake raffle at the Member Christmas Party raised \$669.00 for improvements to the Pavilion. Thanks to a raffle for Skip Walker, \$469 was raised which Skip donated back to the Lodge.

We would like to see you at the Lodge in the coming months. Remember, the best way to give back is to participate in our events which support charitable activities in our community. The Board had to make the difficult decision that the Lodge will not continue the 3rd Sunday breakfast because of low participation.

Fraternally, Board of Directors
